## **PHOTOGRAPHY AT NEITC SHOWS**

There is no objection to the general public taking photographs of general views of the show provided these are for private use only and must not be published on any social media sites or newspaper. Film and photographs of the dogs from outside the ring can also take place with the above provisos unless this adversely affects the dogs in which case a show official is empowered to ask the person concerned to stop the procedure.

Any exhibitor who does NOT wish for their dog to be filmed or photographed should bring this to the attention of the Secretary at the beginning of the show.

The NEITC will have an official Club photographer taking pictures throughout the show for display on the NEITC website.
